Welcome to our journey,

Funny how life presents us with so many paths and directions to choose from. Some are ginormous life decisions, others less significant, but still fruit bearing in our life. Going one way or another is not necessarily good or bad, but all hold meaningful lessons. I think I can speak for all when I say that compassion, trusted counsel, healthy modeling, and grace has gone a long way in our own lesson learning and personal development.

The work we do at New Haven is about affording our youth the same options... and a whole lot more. Their lives have intersected with ours for a number of reasons, but primarily because they have been unprepared to make good life decisions. Most have histories of trauma, school failure, and mental health challenges. In fact, many entering New Haven have been on a downward spiral for some time and need help getting back on a path that will serve them better in life.

How do we do that? We simply live our mission. We CARE, we EQUIP and we RESTORE hope for families and youth with troubled histories. We come alongside them with genuine compassion, we fill them up with a sense of belonging, care, and concern, and we counsel, model, educate, and provide them grace when they stumble.

As you read through this Giving Book, please note the many ways the community has supported us on this great journey of healing. Please consider joining us. Your support will go a long way in filling the gaps in the road that will change the trajectory of a young man's life.

Most sincerely,

Doreen Quinn

Raffle Winner Announced

The Friends of New Haven

This group believes New Haven is a special organization that enables volunteers to directly impact the lives of troubled teenage boys. One hundred percent of the Friends' fundraising proceeds go directly to funding these beloved outreach efforts and support other needs at New Haven, such as home renovation or program development.

2023 Friends of New Haven Volunteers

President: Nicole White

Vice President: Cristine Clark

Secretary: Janet Giannantonio

Treasurer: Betsy Landers

Members: Jennifer Benitez, Terry Chamberlin, Debbie Dugan, Bonnie Frazier, Jamie Gilman, Jane Gorda, Nancy Irwin, Teri Jacobs, Charlene Mirich, Kay Nord, Sherri Pflibsen, Debbie Rayner, Leigh Rayner, Jeannine Resha, Jana Rezniecek, Jan Scism, Tiffany Thielmann-Mera, Chris Villasenor and Noelle Wylie.

THE PROGRAMS OF NEW HAVEN

New Haven provides residential treatment, educational and vocational services, and clinical intervention to more than 800 troubled youth and their families annually. All programs are based on best practices that affect measurable outcomes.

Eighty-one percent of the total operating budget goes directly to benefiting the programs of New Haven, thus maximizing your donation.

Your donation to any of the New Haven programs ensures the continued success of the students.

The **Residential Treatment Program** runs 24/7 providing young men from ages 12 to 17 intensive clinical and educational intervention. Our career technical training courses are life-changing because they offer experience in real world careers.

The **Day Student Program** provides special education in a non-public school setting for students who have not been successful in traditional public schools. Behavioral and mental health issues, substance abuse, learning disabilities, and truancy problems are treated.

The **Short Term Residential Treatment Program** serves older adolescent youth with histories of horrific abuse. The program features intensive clinical and educational interventions that communicate the message, "You are safe; you are worthy; and here is where your journey begins."

Community Based Services (CBS) are short-term treatment for both boys and girls. The goal is to reunite adolescents who have serious emotional and behavioral problems with their families or increase their success at home to avoid separation.

Therapeutic Behavioral Services (TBS) are in-home programs with a team of mental specialists who work alongside the family or caregiver to resolve targeted behaviors. Serving both boys and girls, the program focuses on eliminating behaviors that jeopardize the youth's current living situation.

The Compass

The drafting compass depicted in our logo represents the dynamic experience students have at New Haven. Graphically, the compass is in the shape of an "A," an educational symbol of achievement. As a drafting tool, the compass is representative of New Haven's innovative underpinning of trade skills as a motivational application of academic curriculum. Compasses measure distances, like the distance the boys will travel on their journey. As a navigation tool, a compass is synonymous with New Haven's role as a guide that helps troubled adolescents to find their way.

STUDENT SUCCESS STORY

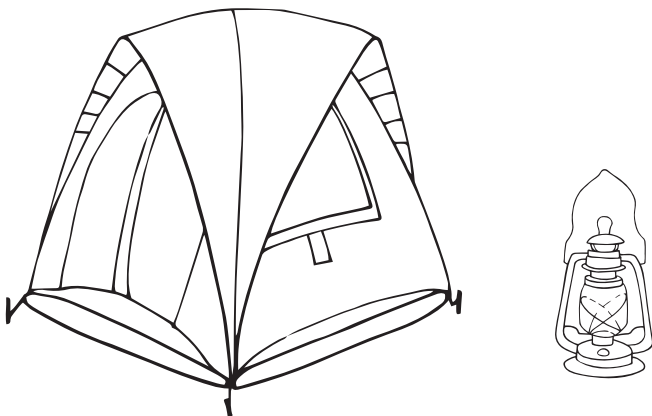

celebration

“

*I finally felt comfortable
in my environment.*

”

Alan was a resident at New Haven before earning a successful transition back to live with his family. Alan had a job completing custodial tasks at New Haven and used that experience to gain a part-time job in his community. Alan now spends his time as a Day Student at New Haven focusing on his upcoming graduation. “I finally felt comfortable in my environment.”

COMMUNITY BASED SERVICES - CBS

New Haven's Community Based Services (CBS) provide a short-term, intensive empowerment approach for families of children and adolescents who are transitioning from a residential treatment program or are at risk for residential placement.

The CBS program offers a spectrum of services that include: individual and family counseling, case management, behavioral coaching, crisis intervention, medical referrals, day treatment, job corps training and more.

Through CBS, families develop an effective support network, increase their sense of competence, acquire new skills for managing the special needs of their child, and have access to supportive community resources to build a brighter future.

How Does CBS Work?

- Individualized counseling for the child/ adolescent AND their caregivers
- Short-term intense therapeutic behavioral training at home or school
- Maintain the youth's placement at the lowest appropriate level OR assist in transitioning the child to a lower level of care
- Resolve behaviors that jeopardize the client's current living situation at home
- Refer and/or coordinate community-based support services needed to build resilience

DONATE TO SUPPORT CBS: \$75
DONATION CODE: CBS

Coping Skills Toolbag

Each student is given a Coping Skills Tool Bag upon graduation from the Community Based Services program. Inside are individualized items needed to continue the progress they've made during their interventions and strategies they were taught through New Haven services.

**EQUIP A STUDENT WITH
ONGOING SKILLS: \$50**
DONATION CODE: SKILLS

THERAPEUTIC BEHAVIORAL SERVICES - TBS

Therapeutic Behavioral Services (TBS) support youth with serious emotional challenges and are administered by New Haven's San Diego and Riverside offices.

This short-term, in-home program is designed in conjunction with the caregiver and a team of mental health specialists as a supplemental service. Our goal is to resolve and avoid the need for a higher level of care.

Therapeutic intervention is administered by a trained TBS coach who provides modeling, structure, support, and immediate one-to-one intervention that assists the youth in managing and ultimately changing the troubling behavior.

How Does TBS Work?

- TBS begins with a comprehensive assessment of the youth and family
- The team identifies targeted behaviors that jeopardize the youth's current living situation
- A mental health treatment plan is developed and reviewed monthly
- A transition plan is designed to equip parents and/or caregivers with skills and strategies post intervention

DONATE TO SUPPORT TBS: \$75
DONATION CODE: TBS

Coaches' Toolbox

Each toolbox contains special incentives that assist coaches in the challenging transition of a child relinquishing difficult patterns and replacing them with healthier, more socially-appropriate behaviors. The contents allow coaches to explore and personalize behavioral incentives with positive reinforcement.

DONATION CODE: TOOLBOX

STUDENT SUCCESS STORY

commitment

“

*I turned my life around
at New Haven.*

”

Jeremy was enrolled in a non-public school and has a history of drug use, preventing him from gaining access to curriculum and instruction at school. This led to Jeremy not having many positive hopes or plans for his future. Jeremy thrived in the small community at New Haven, recommitted himself to his academics, and used these qualities to help land gainful employment in his community. “I turned my life around at New Haven.”

WHERE YOUR DOLLARS WENT

Rec Room

Thanks to our generous donors, New Haven remodeled and redesigned our Rec Room to better serve our community.

We wanted to recreate the old community room and bring new life into a drab place.

"We envisioned a clean, organized space that allowed the boys additional freedom to interact, discuss and have some fun with peers," explained Doreen Quinn, New Haven CEO. "I see it as adding laughter to our campus and we all know that laughter is healing."

“

We envisioned a clean, organized space that allowed the boys additional freedom to interact, discuss and have some fun with peers.

”

In addition to a new bathroom, we were able to:

- Replace flooring and lighting
- Provide comfortable furniture, TVs, and video games
- Purchase new pool and ping pong tables
- Purchase art supplies and musical instruments

"The new space speaks to the benefits of recreational activities," said Chris Kates, the Community Relations Manager. "We are grateful to our donors for providing a space to develop relationships with peers and healthy lifestyles."

“

I see it as adding laughter to our campus, and we all know that laughter is healing.

”

TAKE A TOUR RIGHT NOW

It is often said that there is no better way to understand who one is until you visit their home. With this in mind, we welcome scheduled visits to New Haven's central campus in Vista. A personal tour of New Haven School, our woodshop and culinary classes, a residence, and the opportunity to meet our staff and youth will go a long way toward understanding our great mission. Given the high level of interest in our program, we also schedule regular open houses, and an annual Student Bazaar, where our students are able to showcase their culinary skills and woodcrafts, and everyone can get a jump start on holiday shopping.

Take a tour today!

CAMPUS PROGRAMS

New Haven strives to provide more than basic general education classes. Students need choices with pathways that lead to their own individual success.

Students may choose Culinary Arts and Woodcrafts at New Haven. Both programs offer students a marketable life skill, interaction with peers, trained instruction, and visible outcomes to their work.

Take a deeper look at these programs on the next pages and turn your donation into a lasting skill for the students.

STUDENT SUCCESS STORY

community

“

I was raised at New Haven.

”

Brandon was a resident and student at New Haven for nearly five years. Brandon successfully transitioned/promoted through each classroom, earned the highest student level in the woodshop, and even developed and sold his own products at the New Haven Bazaar. Brandon used his consistency in the New Haven community to graduate a semester early and successfully enroll in Job Corps. “I was raised at New Haven.”

OUR 2023 FEATURED PROGRAM REQUEST

Career Academies Remodel

New Haven's specialty programs thrive on their ability to reach students where they are and show them a path to success. Small accomplishments create larger victories and lead to a well-rounded student ready to find their place in the world.

Our Culinary Arts and Career Academy programs are seeking a remodeled space to nurture these accomplishments. Tight quarters, outdated furniture, and low-tech equipment are not enough to spark a sense of joy in learning. Can you help us create a new space for these programs?

Culinary Arts

The Culinary Arts Catering4Youth Academy introduces students to culinary and food service career pathways, nutrition and menu development, and restaurant management. It prepares students with the knowledge and skills necessary to graduate with a high school diploma for future success in the restaurant and hospitality industry, and in life.

Career Exploration Academy

Our Career Exploration Academy expands the hope and opportunity of career technical education. This program is designed to foster growth in three key areas: technological awareness, academic performance, and social development.

Here's What These Programs Need:

- Remodel a new bathroom
- Remodel the classroom
- Build storage for kitchen supplies
- Repaint and replace flooring
- Computer technology upgrades

Your donation to New Haven will help fund these crucial projects and provide a focus to learning and a path to success.

CONTRIBUTE TO THE ACADEMY REMODEL
\$5,000, \$1,000, \$500
DONATION CODE: REMODEL

CULINARY ARTS

The Catering4Youth Academy prepares students for culinary careers while teaching them important life and academic skills.

Our program is designed to integrate industry-based standards with academic instruction. This innovative learning environment engages non-traditional learners and prepares them with the knowledge and skills necessary to graduate with a high school diploma and pursue post-secondary education.

In addition, it creates multiple pathways to entry-level opportunities in the hospitality industry.

The curriculum is delivered through engaging standards-based projects incorporating content knowledge in mathematics, English/language

arts, science, and history/social science with a culinary arts thematic overlay.

Through the Catering4Youth Academy, the boys at New Haven hone their culinary and catering skills as well. Our Catering4Youth Academy is also a student-run catering service where the boys learn entrepreneurial and leadership skills.

bon appétit

WOODCRAFTS, ETC.

New Haven's Woodcrafts Program extends traditional learning with the opportunity to learn valuable real-world job skills while gaining work-experience credits towards a high school diploma.

The Woodcrafts Studio creates high quality products such as:

- Handcrafted ballpoint and fountain pens
- Cutting boards made from American hardwoods such as maple, walnut, and oak
- Adirondack chairs lovingly crafted of redwood or white pine

The combination of hand-crafted items with entrepreneurial skills teaches a range of educational goals including:

- The technical skills of safe and high-quality woodworking
- Real-world business and e-commerce training
- Specific skills in inventory management, business plan development, accounting, marketing, and even pricing strategies
- Leadership and responsibility
- Developing and achieving goals to prepare for a productive adult life

WOODSHOP SUPPLIES: \$2,500
ONE HEART SHAPED CUTTING BOARD: \$25
DONATION CODE: WOODCRAFTS

STUDENT SUCCESS STORY

courage

“

Woodshop is the best part!

”

woodworker of the year

Andrew was enrolled at New Haven for poor attendance issues and lack of engagement, participation, and communication in the school setting. Andrew was quiet and reserved upon his arrival at New Haven. Soon he was gaining social acceptance from peers, making friends, and developing peer groups. Andrew was celebrated as the “Woodworker of the Year” in June 2022 and used that success to earn gainful employment in the New Haven woodshop. “I met and kept friends.”

THE FRIENDS OF NEW HAVEN PROGRAMS

Recreation and Leisure

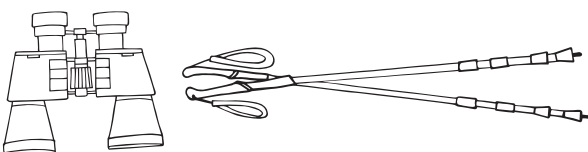

The opportunity to go outside the New Haven environment and experience a special day of recreation or a fun activity expands a youth's ability to see the world and interact. Oftentimes, these experiences are "first-time" outings that provide a new context for learning as well as solidifying peer interaction and good memories.

Examples of these outings include:

- Fishing
- Swimming
- Golfing
- Skiing
- Surfing
- Kayaking
- Sports Events
- Amusement Parks

**PARTICIPATION IN ACTIVITIES
FOR ONE BOY: \$125
DONATION CODE: ACTIVITIES**

Journey Bags

Many times, the boys who arrive at New Haven come with all their belongings in a plastic trash bag. Recognizing the lost dignity in this, the Friends welcome each boy with a Journey Bag—a large canvas athletic bag with personal items such as sheets, towels, toothbrush, fresh-baked cookies and a signed welcome card. It is each boy's first message from New Haven and communicates that they are valued and will be supported in their journey.

DONATE TO JOURNEY BAGS FOR 10 BOYS: \$1,500

DONATE TO A JOURNEY BAG FOR ONE BOY: \$150

DONATION CODE: JOURNEY BAGS

Birthday Brigade

The Friends recognize that it's difficult to live away from home. To make it a little easier, they celebrate the birthdays of every boy at New Haven with a birthday cake, special gift, gift certificate, and balloons. The boy's house is fully decorated so their peers can contribute to the celebration, helping them feel valued and important.

**\$125 WILL FUND A BIRTHDAY PARTY
DONATE TO AS MANY AS YOU'D LIKE!
DONATION CODE: BIRTHDAY**

Christmas Party

The Holiday season can be difficult for anyone, but especially for youngsters who have been traumatized, abused, or cut off from family and friends. New Haven strives to bring the festivity of the season to these vulnerable students and to make them feel valued, seen and cared for with food, fun, and laughter. Boys receive personal gifts, stockings, holiday excursions, dinners, and a special New Haven Christmas Party. Donors to this program are invited to attend the Christmas Party and celebrate with the recipient of their gift!

**SPONSOR A YOUTH: \$150
DONATION CODE: HOLIDAYS**

MORE PROGRAMS

Health and Wellness Coaching

Health and physical wellness play a critical role in the ability of youth to learn, thrive, and make positive decisions. Staying active and fostering the importance of healthy behaviors and relationships are essential in achieving optimum success. Funds are used for an instructor and counselor to work closely with our young students.

SUPPORT THE PROGRAM: \$250
DONATION CODE: WELLNESS

Educational Funding

State funding falls short of covering even the basic needs of New Haven's educational initiatives. Students and staff rely heavily on Educational Funding to fill the gap. Your donation to cover books, supplies and curriculum will ensure students have enrichment materials vital to their success.

HELP FUND NEEDS: \$500
DONATION CODE: EDUCATE

STUDENT SUCCESS STORIES

compassion

“

I let my actions speak for me.

”

Thomas worked through multiple challenges during his time at New Haven and learned how to accept appropriate interventions and support. Thomas is a leader in his home and classroom, demonstrating leadership through action for his peers. Thomas completes all work at a high level, demonstrates safe behavior, and has increased socialization and friendships at New Haven. Thomas also earned gainful employment at New Haven. “I let my actions speak for me.”

independence

“

Ask not what New Haven can do for you, ask what you can do for New Haven.

”

Martin was placed at an out-of-state facility before transitioning to New Haven as a resident, where he excelled academically, increased personal safety, and gained employment on campus. Martin demonstrated pro-social behaviors at New Haven and used this maturity to successfully facilitate his return to living at home and attending a school in his home district. “Ask not what New Haven can do for you, ask what you can do for New Haven.”

Trade Tech High School was founded in 2007 by New Haven's CEO Doreen Quinn, with the thought that "No child is left unknown." We care about every student!

Our professional staff has brought cutting edge career technical education into the classroom, ensuring that students are prepared for success in life, college, and high skill, high wage professions, with an emphasis on the building and construction industry. Trade Tech offers multiple pathways to success, where students aspire to Dream it, Engineer it, and Build it!

mission

To graduate students with a strong blend of academic and workforce competencies necessary for future success in post-secondary education and in the 21st century technical workforce.

vision

Trade Tech is designed to meet the fundamentally different learning needs of students today and the emerging needs of the world of work.

The Century Club of San Diego has partnered with New Haven for the past five years to participate in their annual Champions for Youth Campaign.

Through this fundraising program of the Farmers Insurance Open PGA TOUR event in San Diego, the Century Club supports non-profits serving at-risk and underserved youth.

New Haven is grateful for their support!

Donors listed are from June 2022 - May 2023.

WAYS TO DONATE

One Time Donation

Your one-time donation may be designated to a specific need or given freely as an unrestricted donation to be used where it is needed the most. All donations are 100% tax deductible.

Recurring Donations

A dedicated, recurring donation is especially appreciated to ensure the support, sustainability and development of programs. Your ongoing financial commitment allows New Haven to intentionally prepare for the future by knowing the resources will continue to be available.

Recurring monthly or annual donations can be any amount. Please initiate yours online at bit.ly/givingcampaign2023 or fill out the form in this Giving Book insert and return it to us. Thank you for your support!

Fund A Program

We have outlined and presented our specific needs and we invite you to select the one that touches your heart and fuels your compassion. Funds are designated as you wish. Follow us on social media to see the impact of your donation.

Stock Donation

A qualified charitable distribution (QCD) is a distribution of funds from your IRA (other than a SEP or SIMPLE IRA) directly to a qualified charitable organization like New Haven. QCD's go directly to New Haven without passing through your hands so the dollar amount of the gift may be excluded from your taxable income up to a maximum of \$100,000 annually, with some exceptions. Please consider this valuable donation in your tax planning. Consult your tax advisor for additional information on your particular situation.

For more information on making a donation please contact Danielle Delaney by email, ddelaney@newhavenyfs.org or call 760-630-4035 ext. 433.
